

Friend of Foé - a tribute to Marc Vivien Foé

Marc-Vivien Foé

1975 - 2003

Moment in time  
Marc l'homme est mon ami  
Beautiful night  
Beautiful life  
Beautiful game

The sound of the crowd  
Marc l'homme est mon ami  
One summer night  
Beneath Lyon skies  
You spread your wings

And time will wait for no man  
Too soon he leaves the game  
Forever from these foreign fields  
They shall salute the name Foé

The world keeps turning  
All seasons end  
To come around again  
The world keeps turning  
Your name remains  
In the stars...

Out of the dark  
Marc l'homme est mon ami  
Your legacy  
And our history  
Are one and the same

Heart of the pride  
Marc l'homme est mon ami  
They say the Lion  
Shall never die  
He only sleeps
